Hi! My name's Joanna. I'm 12. I go to Park School. I like school, but I don't like Monday. On Monday I have science at 10.15. I don't like science! I have maths at 11.20. I don't like maths! I have music at 2.45 and I don't like music!

On Tuesday I have English at 10.15. I like English. I have sport at 11.20. I like sport. And I have art at 2.45. Art is my favourite lesson. And Tuesday is my favourite day!
